Much of Martin's success this season and in three previous ones must be attributed to enthusiastic young head coach Don Burton.

Under Burton's direction, the Indians have a three-year record of 81 wins and 16 losses. Included in the wins are a conference championship, a runner-up title, and a second-place finish in the division.

"It's nice to have the tradition," said Burton, "but we can't afford to let ourselves get caught looking back at the past and ignoring the present. This conference gets tougher and tougher every year; this year it's the toughest since I've been here."

(copied from The Nash. Tennessean)

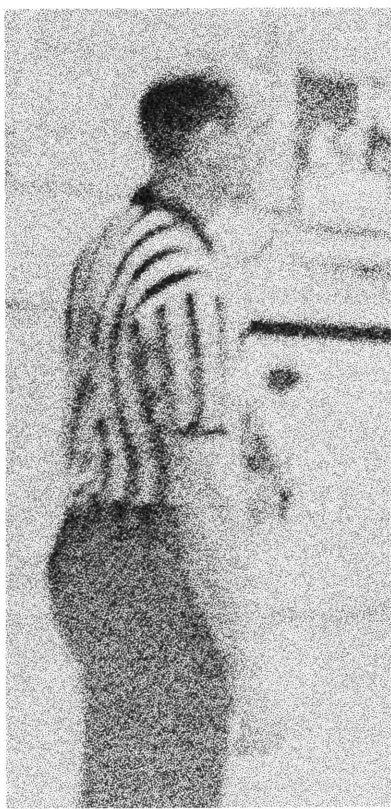

Coach Jerry Hibdon is in his sixth year as a coach, and his teams have made outstanding records.

Jerry serves as assistant to Coach Don R. Burton and is the tennis coach. In talking about the Indians basketball team for this year Hibdon said, "We have had some good and bad games, we have some tough games coming up and we need to have some victories."

With the team of Head Coach Don R. Burton and assistant Jerry Hibdon it's easy to see why they are always ranked high.

College life has many sides . . . Eager anticipation for a word from home . . . The first formal of the year . . . Familiar people and familiar scenes . . . Anxiety over the work which lies ahead of you.

The first snowfall of winter-- students and autos go sliding . . . the excitement of ballgames and the sound of crowds . . . creative energy on the stage . . . Venezuelan transfer students--Carlos Stella, Jesus Romero, Pedro Velasquez, Herberto Barroso.

Phi Theta Kappa-Sheila Howell, Susan Stendurg, Sue Cummings, Margaret Meggs, Jan Carter, Mr. Taylor, Brenda Harris, Wesley Agnew, Larry Garland, Ken Holley, Melba Williams, Suzanne Rouse, Penelope Byrd.

Afro-History week was celebrated February 5-10 at Martin College. The Committee headed by Brenda Harris, Lodovic Kimble, and Deborah Patterson introduced the very facets of the "Black Experience" to the campus.

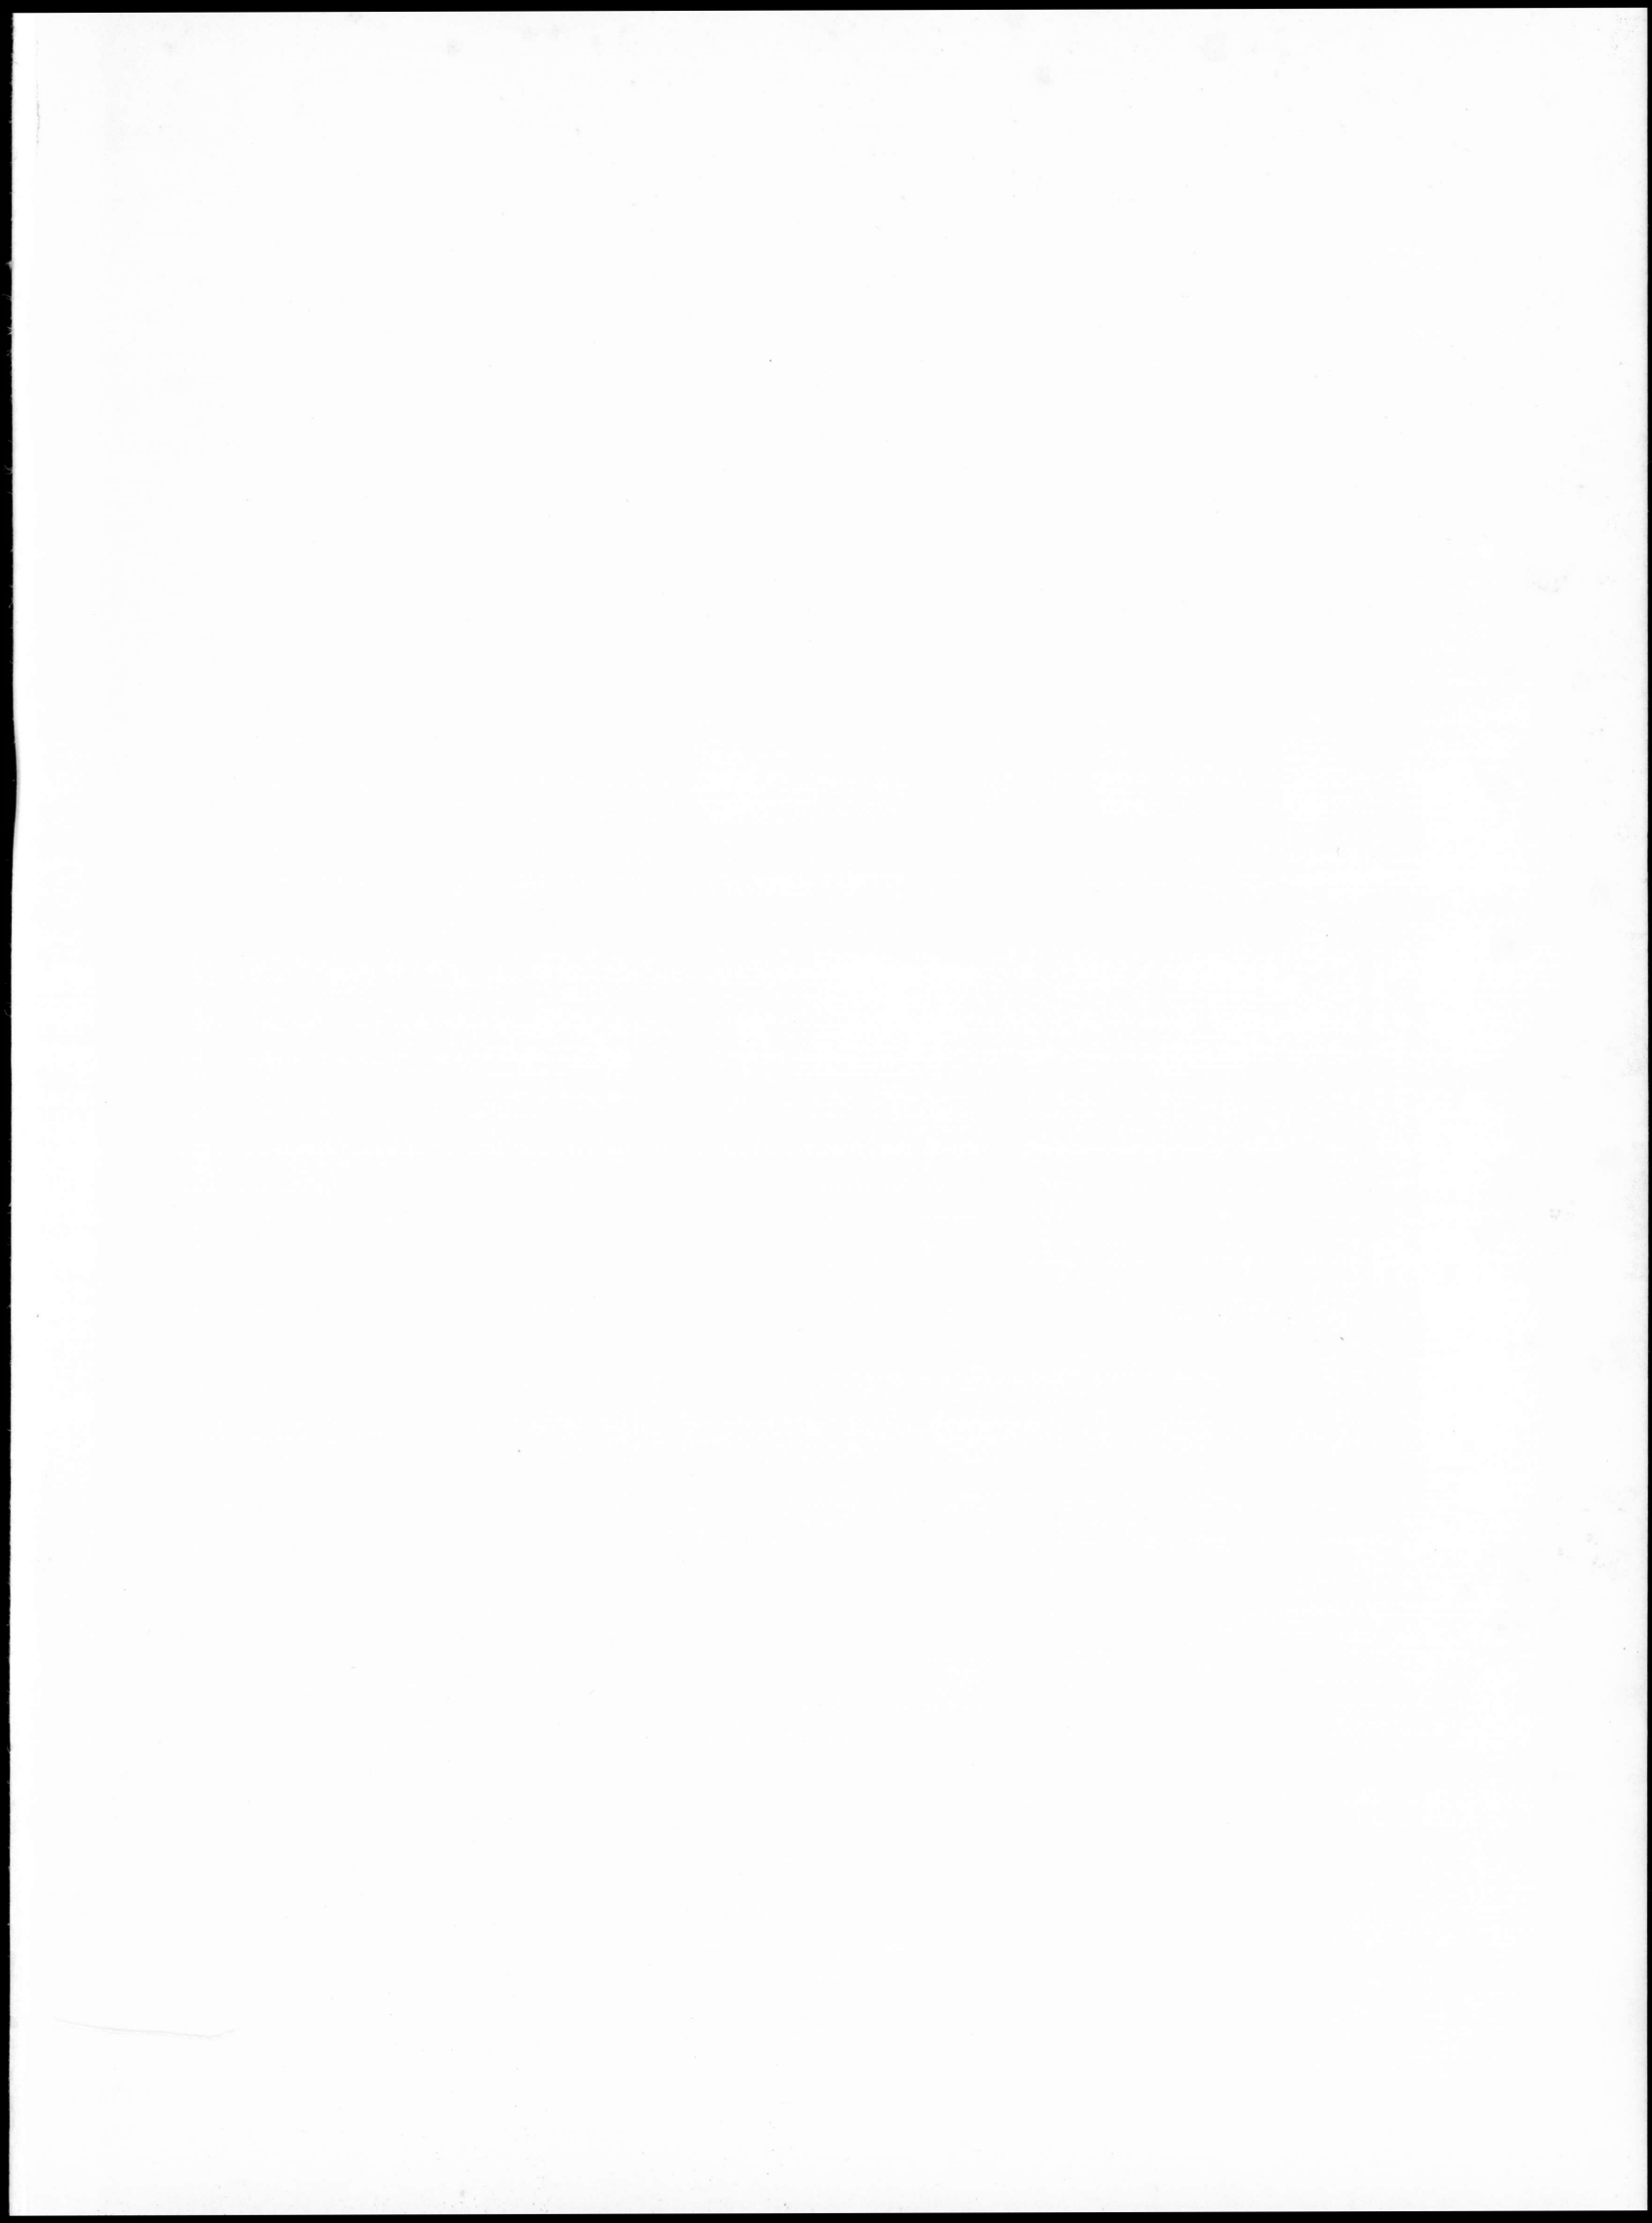

College Bowl Team—Karen Kressenburg, Margret Meggs, Betsy Hunt, Mr. Caudill, David Robertson, John Waltz, Thom Phillips, Mr. Balch

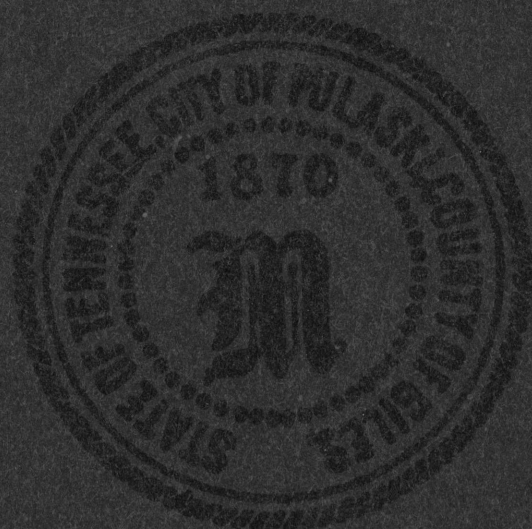

We were Martin College  
from September 1972 until May 1973.  
There was a purpose.  
Most of us spent our year trying  
to discover that purpose  
for ourselves,  
unique to each individual.  
We embraced:  
each other's mind and hearts,  
new ideas, beliefs,  
the world.  
And what did we learn?  
We looked beyond ourselves  
and found ourselves  
to be more than Martin College.  
Or what is an education for?
